

THE FOURTH CASTLE

WHY YOU MIGHT BE CLOSER THAN YOU THINK

The Problem

“I should be further along by now.”

Many capable people reach a point where life hasn't gone according to plan. And quietly, they start to wonder if they missed it. Progress stalls. Responsibilities pile up. What once seemed clear now feels uncertain.

The Core Idea

What if those seasons weren't failures? What if they were the cost of clarity— the necessary steps that make what comes next possible?

What This Talk Does

Jason Owens helps audiences reinterpret difficult seasons in life and work—through personal stories and a simple, memorable framework:

- Why progress rarely looks like a straight line
- How hard seasons shape judgment and endurance
- Why you may be further along than you think

Who Is This For?

This talk is perfect for:

- People who feel behind or stuck
- Professionals in a season that isn't working
- Leaders carrying unexpected responsibility
- Anyone trying to make sense of setbacks

Takeaways

- A new interpretation of past setbacks
- Language for understanding hard seasons
- Relief from the pressure of “being behind”
- Renewed confidence to move forward

Formats

- 20-minute keynote
- 45-minute breakout session
- Workshop / discussion format available
